## Environmental Initiatives

As part of the **PanEarth program**, Pan Pacific Vancouver undertakes a comprehensive environmental program including **extensive recycling** of a wide range of products, **paperless check-in and check-out**, **food composting** and donation, green cleaning products, environmentally-efficient lighting and more.

This commitment to sustainability has resulted in two top Green Key Ratings for Pan Pacific Vancouver. The hotel is one of only three hotels in Vancouver to receive **4 Green Keys for both overall hotel practices and for meetings**.

In addition, the hotel recently implemented a **Carbon Offset program**. The hotel is working with Vancouver-based Offsetters, a leading carbon management solutions provider, to measure the carbon footprint of a given event. This impact can then be offset by a small surcharge.

## Restaurants & Lounge

◆ **Café Pacifica** offers all day dining and features superb “East Meets West” cuisine in the superb surroundings of the hotel’s atrium.

◆ **Cascades Lounge** is Vancouver’s most scenic cocktail venue. A local’s favourite, its stunning ocean views of Stanley Park with the lively traffic of seaplanes landing at the nearby terminal make it the most authentic destination in town for a sip.

◆ **The Five Sails** represents the best in dining combined with the finest views in town, consistently earning it the title of “Most Romantic Spot for a Valentine’s Day Dinner in Vancouver”.

## Vancouver International Airport (YVR)

- ◆ 15 Kilometres (9 miles) to Pan Pacific Vancouver
- ◆ Direct Light Rail service on the Canada Line Skytrain to hotel in 26 minutes
- ◆ 25 minutes by Taxi
